Specialty Electrical & Mechanical Components:

- Electrical Switches: Pushbutton, Toggle, Rocker, Disconnect
- Engine Sensors, Engine Gaskets, Specialty Fasteners
- Horns, Relays, 12 Volt Power Receptacles, Indicator Lamps
- Component Assembly
- Air Filters, Automotive Chemicals
- Domestic and Worldwide Sourcing

Automotive Products:

- Ignition Wires and Coils
- Oxygen Sensors
- Timing Belts
- Hydraulic Brake Components
- Worldwide Plastic and Rubber Injection Molding

Wire Harnesses:

- Custom Vehicle Wiring Harnesses
- Battery Cables and Boots
- In House Connector Tooling Capabilities
- Chinese and Domestic Manufacturing Capabilities

Grip Flow Metal Stampings:

- Reduce Cost by Eliminating Secondary Machining Operations
- A Form of Fine Blanking
